To: *Business and Management Department*

*Faculty of Administrative Sciences and Economics*

*Tishk International University*

Subject.: Partnership with Future Citizen Project

This letter is to confirm our partnership with Business and Management Department in undertaking Global Citizenship Project hosted at Tishk International University by providing their venue, facilities and student volunteers on June 5<sup>th</sup> and 6<sup>th</sup>, 2022.

Tishk University and its staff have had a big role and spirit of help in making Future Citizen a successful event. Without this partnership, Global Citizenship Project could not be held in Erbil, Kurdistan. The participants of the event were curious and happy to see university lifestyle and environment before passing to their next level of education. Moreover, Tishk University Volunteers saw this event as a necessity for their fellow college students and they were interested in adopting this type of events in their universities; therefore, the partnership has resulted in mutual benefits for both parties and that is what makes it a successful activity.
